

## The Right's Logic(al Fallacies)

Why should one vote for HIM?

**Because HE deserves it.**

(Appeal to Emotion)

**Vote for HIM, so you won't be a loser.**

(Appeal to Consequences)

Isn't He worried about His reputation?

**No, it's okay. HIS dad cheated, and he had a reputation.**

(Hasty Generalization)

**If you are right wing, then you're a patriot.**

I'm not.

**Then you're not a patriot.**

(Denying the Antecedent)

**Right-wing ideas are better than "Democrat" ideas.**

(Chronological Snobbery variation)

**Drinking bleach cures COVID.**

No, it doesn't ...

**You can't say that! You're a Democrat!**

(Courtier's Reply)

We should use masks against COVID.

**No! The Democrats are the ones who supported that!**

(Genetic Fallacy)

They say HE doesn't tell the truth.

**But you don't either.**

(Tu quoque)

Don't you think lying is wrong?

**Yeah.**

Well, HE just lied!

**Ok, but HE's a good guy.**

(Special Pleading)

**Banning guns is nonsense. Criminals will find a way.**

(Nirvana Fallacy)

Dictators make you snap on command.

**Dictators must be smart.**

(Association Fallacy)

**Have Democrats stopped cheating at the elections?**

(Loaded Question)

**What proof do you have HE did not suffer from millions of fraud votes?**

(Appeal to Ignorance)

**The Afghanistan withdrawal was Biden's fault.**

(Fallacy of the Single Cause)

**Democrats are commies.**

I don't believe it.

**Prove they aren't.**

(Burden of Proof)

**No Jew puts votes for Democrats.**

But my friend Aaron votes for Democrats.

**Well, he isn't a TRUE Jew.**

(No True Scotsman)

**Before we argue about immigration, let's define it as "vermin control."**

(Definist Fallacy)

**HE says that dictators are his friends.**

HE also said Biden was a dictator, so was Biden his friend?

(Ambiguity Fallacy with a twist)

**Slaves learned useful skills on the plantation, so more education was a waste of time.**

(Anecdotal Fallacy)

**Stripping rights is bad, but HE still has to finish it.**

(Sunk Cost Fallacy)

**Imposing larger tariffs will stop China.**

Genius?!?

(Appeal to Authority)

**Project 2025 is too long for me to read,  
but worth every word.**

(Quoting Out of Context)

**I can't believe they said HIS debate was awful.**

Awful originally meant that it inspired awe!

(Etymological Fallacy)

Springfield said no one's eating dogs!

**I'm entitled to my opinion.**

(My Opinion Fallacy)

They say they'll lower your taxes.

**Don't listen to them. They're Marxists.**

(Ad hominem)

Can you assure us that HE'll help finance child care?

**I can't, but HIS new tariffs will solve everything.**

(Red Herring)

**If you don't vote for HIM,**

**You won't be safe,**

**Your kid will change sex,**

**YOU'LL GO TO HELL!**

(Slippery Slope)
